

Introducing the FIRST AI-powered advertising compliance engine

- **SPEED LIKE NEVER BEFORE.** Audits 100+ ads & VDPs 2,000 times FASTER than traditional compliance auditors.
- **SMARTER THAN THE SMARTEST.** Outperforms experienced dealer compliance attorneys in accuracy by a staggering 15%.
- **ALWAYS ON DUTY: 24/7/365.** Guardian never sleeps, ensuring ad compliance is constantly monitored.
- **EFFICIENCY REDEFINED.** Digital or print, Guardian scrutinizes individual ads in under 60 seconds, exactly when you need it.
- **COMPREHENSIVE.** With over 100 points of inspection on every ad, nothing slips past Guardian's watchful eyes.
- **AUTOMATED WEB SCANNING.** Guardian effortlessly scans dealer websites for state and federal advertising issues. TILA, Reg M, Reg Z, FTC CARS Rule, UDAP, and more.

**Eliminates dealers' biggest compliance exposures
with a full set of sales and F&I compliance features**
